## 10' x 10' TENTS

Double Sided Back Wall Graphics

This is a top of the line tent that comes with all you will need to make an impact at your next event!

The 40mm hex frame is our standard frame and we also offer a 50mm hex frame that is heavier for higher winds.

This is a high quality frame that is built to last and provide additional weight for outdoor events.

Check out our FANTEVA Tents for your favorite team's styles and colors!
